Judith Weston's *Directing Actors* is the essential guide to directing actors. This comprehensive book covers everything from auditioning and casting to rehearsal and performance. Weston provides invaluable insights into the actor's process and offers practical advice on how to get the best performance from your actors.

## Auditioning and Casting

The audition process is the first step in finding the right actors for your project. Weston provides a detailed guide to the audition process, including how to prepare for auditions, how to conduct auditions, and how to make casting decisions.

## Rehearsal

Rehearsal is the time when you and your actors work together to develop the performance. Weston provides a comprehensive guide to the rehearsal process, including how to plan rehearsals, how to conduct rehearsals, and how to give feedback to actors.

## **Performance**

The performance is the culmination of all your hard work. Weston provides a detailed guide to the performance process, including how to prepare for performances, how to conduct performances, and how to give feedback to actors.

## **Judith Weston**

Judith Weston is a world-renowned acting teacher and director. She has taught at the Juilliard School, the Yale School of Drama, and the Actors Studio. Weston is the author of several books on acting and directing, including *Directing Actors*.

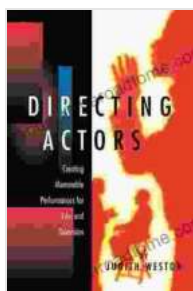

## **Reviews**

"Directing Actors is a must-read for any aspiring or experienced director. Weston's insights into the actor's process are invaluable, and her practical advice is sure to help you get the best performance from your actors." - Steven Spielberg

"Directing Actors is a comprehensive and well-written guide to the art of directing actors. Weston's approach is clear and concise, and her insights are both practical and inspiring." - Martin Scorsese
