Welcome to the Planet Express!

Buckle up for an unforgettable journey through the beloved animated sitcom, Futurama. This comprehensive guide is your ultimate companion, providing an in-depth exploration of the show's quirky characters, hilarious episodes, and fascinating behind-the-scenes trivia. Get ready to nerd out on all things Futurama!

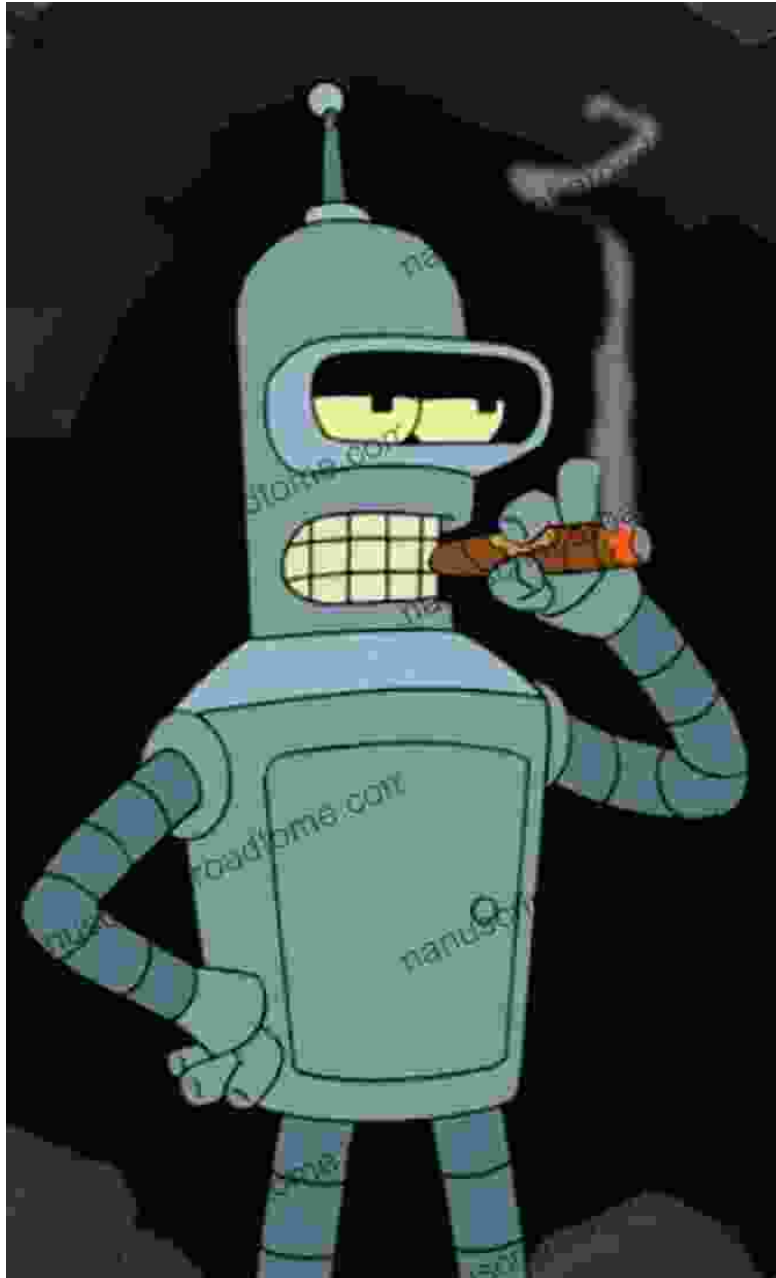

Characters

Philip J. Fry

Fry is the lovable and hapless star of Futurama. A 25-year-old pizza delivery boy from 1999, he accidentally freezes himself and wakes up a thousand years later in the year 3000.

Bender Bending Rodriguez

Bender is a sarcastic, alcoholic, and kleptomaniac robot. He's also Fry's best friend and roommate.

Turanga Leela

Leela is the ship's captain and a respected cycloptic alien. She is Fry's love interest and Bender's begrudging friend.

Professor Hubert Farnsworth

Professor Farnsworth is the eccentric owner of Planet Express and Leela's grandfather. He is a brilliant scientist, but also forgetful and senile.

Hermes Conrad

Hermes is the Jamaican-born bureaucrat of Planet Express. He is efficient and punctual, but also a bit uptight.

Amy Wong

Amy is a wealthy and spoiled intern at Planet Express. She is Bender's on-again, off-again girlfriend.

Zoidberg

Zoidberg is a lobster-like alien doctor at Planet Express. He is incompetent and disgusting, but also strangely endearing.

Episodes

Futurama boasts a vast collection of brilliant episodes, ranging from laugh-out-loud comedies to thought-provoking sci-fi adventures.

"Space Pilot 3000"

In the pilot episode, Fry is accidentally frozen and wakes up in the year 3000. He joins the Planet Express crew for a delivery mission to Omicron Persei 8.

"My Three Suns"

Fry learns that Leela is an alien and that he is in love with her. Meanwhile, Bender tries to steal the sun.

"The Luck of the Fryrish"

Fry discovers he is the luckiest man in the world, but his luck soon turns against him.

"Roswell That Ends Well"

The crew investigates a UFO crash on Roswell, New Mexico. They learn that the aliens are actually from Earth's future.

"Bender's Big Score"

In this feature-length film, Bender steals a valuable artifact and the crew must travel through time to stop him.

"The Sting"

The crew discovers that their ship is powered by the tears of orphans and must find a new power source.

Behind-the-Scenes Secrets

Beyond the hilarious characters and unforgettable episodes, Futurama has a wealth of fascinating behind-the-scenes stories to share.

Matt Groening and David X. Cohen

Futurama was created by Matt Groening, the creator of The Simpsons, and David X. Cohen. The two worked together on The Simpsons and wanted to create a more sci-fi-oriented show.

Voice Cast

The voice cast of Futurama is comprised of talented actors such as Billy West, John DiMaggio, Katey Sagal, and Phil LaMarr.

Pop Culture References

Futurama is known for its witty and clever pop culture references, ranging from Star Wars to Star Trek.

Awards and Recognition
