Here is a brief excerpt from the book:

“ "I've lived a long and winding road, but I wouldn't trade it for anything. I've had my share of ups and downs, but I've learned a lot along the way. I've learned that life is precious, and that it's important to live each day to the fullest. I've also learned that it's important to follow your dreams, no matter how crazy they may seem. If you have a dream, don't give up on it. Keep working at it, and eventually you will achieve it." ”
