

One Church Many Tribes: Embracing the Rich Tapestry of Cultures in the Body of Christ

In the vibrant tapestry of the church, cultures intertwine, each thread adding its unique hue to the overall masterpiece. Yet, the challenge of bridging cultural divides can cast shadows over this vibrant unity. Richard Twiss, in his remarkable book *One Church Many Tribes*, illuminates a path to celebrate diversity while preserving cultural identities.

Twiss, a pastor and cross-cultural mission leader, draws from his wealth of experience to guide readers through the complexities of intercultural church life. He challenges the notion of a "dominant culture" within the church, advocating instead for a truly inclusive body where all cultures are valued and respected.
