Who is Your Guardian Angel?

In many spiritual traditions, it is believed that every person has a guardian angel assigned to them. This celestial companion is believed to be a pure, selfless being of light and love whose purpose is to guide, protect, and inspire you throughout your earthly journey.

Guardian angels are not physical beings that you can see or touch, but their presence can be felt through intuition, signs, and synchronicities. They communicate with you through subtle nudges, dreams, and inner whispers.

How Your Guardian Angel Can Help You During the Pandemic

During the pandemic, your guardian angel can provide invaluable support and guidance in the following ways:
